

VACCINATION CALL

Migrant Advisory Board

The advisory board for migrants of the district of Rostock calls on all citizens and migrants in the district of Rostock for vaccination! Getting the vaccine against the coronavirus means more protection **for every individual** and for us as a **community!**

Whoever gets vaccinated, **protects his/her own health** and shows **solidarity** with others!

We are committed to vaccination! **Please get vaccinated!** For your own Protection, for your Family, for Others!
